# SHIRO

## IN PRAISE OF SIMPLICITY

SHIRO makes an unambiguous statement in terms of its design: pared back, clear and intriguing. The unusually sturdy edges of the porcelain products bring a new and surprisingly powerful aesthetic to dining tables. A great canvas for straightforward food ideas as well modern banqueting. Charming contrasts are created by the combination of plain and textured surfaces.

ALLURE

THE FINEST FACETS OF PRESENTATION

ALLURE owes its exceptional elegance to the innovative Noble China hard-paste porcelain used in its manufacture. The collection utilises this finesse to create a delicate design which combines the classic aesthetic of porcelain with eye-catching faceting. The soft BoneWhite colour conveys urban elegance. Highlights such as finely domed cloches and striking salt and pepper mills celebrate contemporary fine dining with surprising effects.

# WELLCOME

## SHAPE AND SENSUALITY

Soft curves, gentle arcs, voluptuous openings – nature was the inspiration for this organic shape. Using emphatically sensual contours, WELLCOME translates the art of hospitality into wellness for the senses – in a soft shade of cream.

## PERSONALITY WITH A PROFILE

The unmistakable look of the CHARACTER collection results from its ribbon texture, seemingly arranged at random. The generously proportioned plates with rims in a modern look offer plenty of space for fascinating food presentations.

EVENT

THE DIRECT LINK BETWEEN  
BUFFET AND TABLE

The square and the circle. EVENT uses just two basic geometric shapes to create a rich diversity of designs that opens up a whole world of combination options. Here the boundaries between buffet and table become permeable: the same porcelain from which guests take their food at the buffet awaits them at their table.

# SHAPE 98

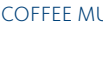

## A LIVING LEGEND

SHAPE 98 is a real design classic – as simple as it is ingenious. Dr Hermann Gretsch's timeless design laid the foundations for SCHÖNWALD's design expertise in 1936. Its pared-back aesthetic makes this shape so versatile that it is also perfect for modern food-presentation requirements.

# MARQUIS

## THE CAVALIER OF GOOD TASTE

It is part of the Zeitgeist to rediscover the charm of classic shapes. Cups and tea and coffee pots. Richly decorated handles and lid knobs. Elaborate embossing on every piece. MARQUIS is a tasteful homage to the art of festoonery in the Age of Rococo.

# TARA PERFORMANCE

## PAY BY WEIGHT

TARA PERFORMANCE brings greater precision and cost-efficiency to the serving of food in company restaurants, canteens and system catering: the net weight of the selected porcelain items is standardised. The exact weights are programmed into the till and the till scales then simply deduct the weight of the plate from the weight of the food during payment. Both of the SCHÖNWALD special ranges thereby facilitate portioning and payment accurate to the gram.

# SYSTEMISED TABLEWARE

## FEW PIECES – GREATER VERSATILITY

Less is more: square pieces guarantee optimum use of space, rectangular pieces are good for combining, and round pieces have been developed naturally for various purposes. SCHÖNWALD has a proud tradition of providing solutions for economical, variable systemised processes. This is reflected in our design classics such as DONNA, with its special harmony, or the then revolutionary functionality of the stackable SHAPE 898, whose clear aesthetic remains fascinating to this day. The cost-efficiency of our entire range is also highlighted by the high chipping resistance for increased durability in everyday use.

# HYGGE

## RUSTIC GRACE

HYGGE is the epitome of Danish lifestyle. SCHÖNWALD translates this into a whole spectrum of cheerful décors in shades of blue and featuring the on-trend hand-made look. The six varieties have the appearance of having been casually painted onto the porcelain. This rustic painting technique gives the pieces the charm of imperfection. Colours and shapes are cheerfully mixed – bowls with platters or coupe plates, solid-coloured items with ornaments.

# SHABBY CHIC

## THE LAID-BACK CHARM OF NOSTALGIA

The hand-crafted looks of the SHABBY CHIC range reflect the vintage style. The eight different variations in a stone-look and shades of grey and blue conjure up visions of the artistry of oriental ornamentation. These innovative décors open up new possibilities in modern food presentation in settings from casual bistros to fine-dining restaurants.

## THE RANGE: SHABBY CHIC

Please request a SHABBY CHIC brochure for pictures of the individually decorated items.

## A bowl of vegetable soup with bread and green onions. The soup is served in a light green ceramic bowl with two handles, sitting on a greyish-blue plate. The soup contains various vegetables, including green beans, and is topped with two slices of toasted bread and chopped green onions. A silver spoon rests on the plate. In the background, another bowl of bread is visible on a green plate, and a whole green onion lies on the white wooden surface.

White Pepper, Black Pepper, Green Pepper – the harmonious triad of new PEPPER décors by SCHÖNWALD brings natural colour moods to every table setting. The tiny specks of colour appear as if freshly ground from a wooden pepper mill.

## A gourmet dish is presented on a black rectangular plate with a red rim. The central element is a swirl of white coconut cream, drizzled with dark chocolate sauce, resting on a piece of dark chocolate. It is garnished with two long, green cardamom pods. Surrounding the base are several fresh figs, including a whole one and a halved one showing its pink interior, along with three cashews and three green cardamom pods. The plate is set on a dark, textured placemat.

Individuality and natural authenticity are the key features of POTTERY. The décors on the large plates, platters and delicate dishes give them the look and feel of ceramic surfaces. Vibrant shades meet natural colours, lending the porcelain a natural aesthetic, while the consistently hand-made look makes each piece unique. Creative scope for creative culinary presentations – from Asian to bistro.

# BRINGING COLOUR INTO PLAY

## FASCINATING DÉCOR EXPERTISE

Décors bring colour to your interiors and highlight the special character of your establishment. This is true not only of an individually designed hallmark. Our décor studio uses the entire spectrum of modern decoration techniques. Coatings create elegant highlights with fascinating precious-metal looks.

Embossing and sand-blasting techniques add special surface-feels and elegant interplays of light. We use rustic, ceramic-like looks to reflect current trends towards traditional and hand-crafted products. All SCHÖNWALD décors are extremely durable and dishwasher-safe.
